Theresa Neaime's
Livin'
Future Records

Adult Contemporary radio stations throughout the U.S. may just now be getting wind of Theresa Neaime's inspirational hit "The Future," but the world's eyes and ears are also on the incredible sound of this amazing artist. Neaime's incredible journey as an all-around performer is best summed up by one line in "The Future." "The future lies/in front of those/Who sacrifice." She elaborates: The Basic idea behind songs like "Color Of Love" and "Keep It Up" is that no matter who or where you are, you can accomplish anything you set your mind to. All the songs I write tell a story." Theresa Neaime's new album is FRESH....COOL... AND HAS A MESSAGE WE CAN RELATE TO. Her sound is OVER THE TOP!!!
